Dated Bangalore, 12th May 1908.

SIR,

The Resident considers it necessary that the appearance of epidemic diseases among human beings and animals in the Civil and Military Station should be communicated promptly to the state authorities in Bangalore and that similar outbreaks in taluks ~~adjoining~~ adjacent to Bangalore should likewise be intimated to the officers of the Civil and Military Station. Information on this subject can perhaps best be exchanged direct between the Collector and President, Municipal Commission., Civil and Military Station, and the Deputy Commissioner, Bangalore District, the latter of whom may also be asked to inform the former of the occurrence of epidemic diseases in the neighbouring Mysore districts as well as in the districts of north ~~west~~ Arcot and Salem of the Madras Presidency. It is believed that

that information as regards the last few Districts is received by the District Medical and Sanitary Officer, Bangalore.
